

Sculpture/Landscape Architect Apprentice

Organizational Summary:

Located on 60-acres of rolling wooded hills in Eagan, Minnesota, Caponi Art Park and Learning Center is a distinctive community space offering free cultural and educational experiences in an inviting, natural setting. The Art Park is unique in the way it blends the beauty of nature with art to create a symphony out of all the physical elements and creative activities that take place in the park.

Internship Summary:

This internship is ideal for an individual going into the landscape architecture field or who has an interest in [sculpture and public art](#). Intern will work closely alongside the [Artist-in-Residence, Anthony Caponi](#), to revamp the landscaping and signage at the main entrance and in the parking lot. Other various landscaping projects will take place throughout the park as well.

Apply your skills to a distinctive community space enjoyed by tens of thousands of people every year. Your work will help Caponi Art Park become more accessible and enhance the visitor experience.

Responsibilities:

- Assist Artist-in-Residence and staff with landscaping projects around the Art Park. Primary project will be revamping the main entrance and parking lot signage and landscaping.

Experience and Qualifications:

- College degree (or significant completion of coursework or other relevant experience) in landscape architecture or sculpture.
- Must be able to lift heavy materials and have stamina.
- Must know how to use common landscaping tools.
- Must take direction well, including an eagerness to learn new skills and how to use new tools.
- Must enjoy being outdoors.
- Intern will be required to drive a golf cart, therefore, must have a valid driver's license and display safe driving skills.
