"Summer Rain"
Summer Performance Series
Sunday, June 9th!
Social Hour 5:00 p.m.
Show 6:30 p.m.

Join us at Caponi Art Park for a collaborative performance by Nirmala Rajasekar and Zeitgeist.

"Summer Rain" features five works that blend Indian Classical music (Carnatic tradition) and Western classical new music. Each piece focuses on a different facet of musical traits, similarities and differences between the two musical cultures.

Come early and enjoy traditional Indian fingerfoods (a cultural similarity would be all the different types of "bars" Minnesotan's bring to potlucks), social hour and a chance to interact with the artists before the show. This pre-performance gathering begins at 5 p.m.
