We're excited to kick off the season a month earlier than usual, with several amazing events already scheduled for May! It's shaping up to be a fantastic year, save the dates. We can't wait to see you here! See our full 2025 season schedule [here](#).

Labyrinth Day/Welcome to the Season

May 3 is World Labyrinth Day and the unofficial start of the season at Caponi Art Park!

Our labyrinth, a 7- circuit variation of the Chartres Cathedral design, invites visitors to slow down, reflect, and reconnect. Unlike a maze, a labyrinth has no wrong turns, just one winding path in and out, leading to the majestic oak at its center.

Labyrinths have been used across cultures for meditation, prayer, and grounding, making them a perfect fit for the spirit of the park.

We're especially grateful to [Tree Trust](#), a nonprofit organization for youth development, for their incredible work restoring the labyrinth last year. They carefully leveled and reset the granite blocks, keeping this peaceful space welcoming and walkable for all who visit.

While you're near the labyrinth, don't miss our new Poet Tree, a place to pause, write, and read poems inspired by your walk.

Poetry has always been part of Caponi's creative roots, from Anthony Caponi's own writings to the many poetry readings and workshops we've hosted over the years.

Leave a line, take a line, and be part of the ongoing creativity that lives here.

Vox Medusa Brings ORACLE to Life at Caponi Art Park *May 16, 17, 18, 29, 30, 31 - 7:00 p.m.*
