## Art, Nature, and Well-Being Sustaining What Matters Most

As 2025 comes to a close, we're reflecting on a year full of creativity, connection, and community. It's also clear that **our mission is as important as ever**. In this time of rising stress and social isolation, being in nature and engaging in creative activities offers real mental health and wellness benefits. **Caponi Art Park provides these experiences, thanks to your support.**

As we look toward 2026, we invite you to make a year-end gift to sustain this work. Your generosity keeps the gates open, strengthens our art and wellness programming, and makes sure cost is never a barrier for our community.

**Support Caponi Art Park by becoming a Friend of the Park!** Donate \$100 or more, or become a sustaining donor with a monthly contribution. There are multiple ways to give: mail a check, donate online via PayPal and Venmo, make a grant through your Donor-Advised Fund (DAF) or employer's matching program. Learn more on our [website](#).

Thank you for being part of this community and for believing in the power of art and nature to make life better.
